July 2023 Newsletter

To our supporters and friends,

Happy July! We've had a busy and fun month - complete with lots of client visits, fruitful team meetings, and some exciting design projects!

We hope you had the chance to read our last email that told the story of Katherine - a client who visited us in July and changed her mind on abortion. A couple of weeks after that visit, our Board and Staff met for an intensive Saturday workshop, during which our team dreamed and planned for the year ahead. In the midst of this exciting progress, we were blessed by a group of men who generously spent a weekend repainting our Center so that we can begin the process of redecorating to make our space more welcoming for clients!

There's never a dull moment at Centro Tepeyac! Thank you for your continued prayers and support!

Prolife Volunteer Opportunity

Each year, Maryland Right to Life secures an indoor booth at the fair. They rely on wonderful volunteers to be able to connect with those in attendance about the beauty of the preborn child and how we can protect LIFE legislatively in Maryland.

This year, **they need 66 volunteers** to cover the duration of the fair. Students, retirees and everyone in between - all are welcome!
