June 2023 Newsletter

To our supporters and friends,

It's officially summer! We pray you have been able to usher the new season in with joy - despite the sometimes hectic schedules and travel plans!

June is the month dedicated to the Sacred Heart of Jesus and we have spent it reflecting on the many hearts changed here at Centro Tepeyac. Take a look below to meet some of the babies born because of the good work Jesus is doing at the center!

The Centro Tepeyac Team

A Message from Julie

After only a few weeks, Centro Tepeyac's team is growing! We would like to welcome our new board member - Mariano Diaz Bonnilla, our new accountant - RJ, our new counselor/receptionist - Catalina, and our bookkeeper - Ellen Donnelly! Catalina and Diosmary have worked tirelessly in empowering mothers to choose life and providing encouragement and support for them.

As our team grows, so will the services we provide. We would like to renovate Centro Tepeyac to make it a more welcoming and comforting place for the mothers we support. And we would love your help to make this possible! We plan to paint the walls, add new

couches and chairs, and put up wall decorations. If you are interested and would like to offer your help, [please reach out to us!](#)

Babies of Centro Tepeyac

Meet some of the babies of Centro Tepeyac! **These four children are alive and thriving today because of YOUR support of our work.** Their stories are each unique, but what they have in common is that their mother came to our center looking for support during a time of uncertainty and fear. Thanks to the counseling of our Client Advocates and the material support we were able to provide both before and after birth, these brave women chose life for their precious sons and daughters!
