## *November 2023 Newsletter*

To our supporters and friends,

What an exciting month October was! We invite you to take a look at the photos below to check out some recent events that we hosted. From our Open House to our growing parenting classes...we had great turn outs and continue to connect with our community in meaningful ways!

The month of November has been no less busy as we continue to serve mothers in need daily. As we enter into the season of giving, we ask that you prayerfully consider donating to Centro Tepeyac to continue making our work possible. **Giving Tuesday is November 28th** and we invite you to give via the link or QR code found below. We look forward to sharing a few client stories in the near future to show you just how impactful this work truly is. Thank you for your continued prayers and support - we couldn't do this without you!
