

CENTRO TEPEYAC

Women's Center

A special thank you note to all 2023 Fiat Gala guests,
from our new Executive Director, Julie Kilmer:

My name is Julie Kilmer and I am honored to be the new Executive Director of Centro Tepeyac Women's Center. I am grateful and blessed to take part in Centro Tepeyac's mission to support mothers and their children. God has called me to this mission and I'm excited to see all the good that can be done in directing the pregnancy center.

I want to start off by saying thank you to all of you who have supported Centro Tepeyac in the past and continue to offer your support, gifts, donations, and prayers. Thank you to all of you who were introduced to Centro Tepeyac for the first time at our gala and are willing to offer your help in the near future. There is a lot of work to be done but with all of your support, many lives will be saved through the services we offer at Centro Tepeyac!

What's next?

We look forward to keeping you updated on all that's happening at Centro Tepeyac!

In order to continue making our work possible, please consider:
